OR by tweeting: #NLABrightSparksComedy

The Comedy Asylum supports people across the East Midlands with severe and enduring mental illnesses to explore comedy as a way to socialise, build confidence and improve wellbeing. Our team of professional artists, led by multi award winning stand up poet and ex psychiatric nurse Rob Gee, work in hospitals and community settings with adults and young people. Our founding group, based at Attenborough Arts Centre, Leicester, performs each year as part of Leicester Comedy Festival.
