

'Art in the Garden'

The Courtyard Garden at The Attenborough Arts Centre was created by The Green Room Gardeners with funding support from Kew Gardens and The University of Leicester. Members of the ArtSpace Arts in Mental Health Group, based at The Attenborough Arts Centre, worked with participatory artist Scott Bridgwood to produce this exhibition of artworks which were inspired by the garden.

For further information about the exhibition please contact Tim Sayers, Arts in Mental Health Co-ordinator at Leicestershire Partnership NHS Trust;
